WHAT IT IS Sensitive skin can now get a shot at a calmer, healthier complexion. Fortified with a skin-nourishing elixir of borage, chamomile, toning witch hazel and gentle rose hip, Rhythmic Conditioner Sensitive decongests blood vessels, restores elasticity and comforts skin from within. Together with malachite, a gemstone proven to visibly reduce redness, this harmonised solution will revive fragile skin and balance the mien.

THE BONUS Each ampoule in this 28-day cycle contains only the finest biodynamic botanicals, grown without harmful chemicals or additives that may further irritate sensitive skin. Boost inflamed skin's defense mechanisms with this long-term skin soother. \$48 for 10 ampoules x 1ml, \$205 for 50 ampoules x 1ml. Available at Tangs Orchard. Tel: 6733 4677.
